Old Business:

- a. Handicap Door: There will be a meeting Sunday after church with the congregation to discuss the information we have on this project and give everyone the opportunity to donate for the door if they wish. A second meeting will be held in a few weeks to discuss progress and get congregation concerns and questions.
- b. Review of fellowship hall rental: It was decided to use the current contract as homework and revisit it in May with suggestions and concerns.
- c. Church mailbox: The current mailbox is in an unhandy location and does not stay closed. Allen had a conversation with the mailman regarding moving it closer to the church driveway. This is a project the scouts may help with when weather permits.
- d. Prayer list in bulletin: Review to continue for a suitable way to keep this list current.

New Business:

- a. Food Pantry: Pastor Lou would like to have the scouts clean and organize the food pantry under his guidance. A list of food needed will be posted in the bulletin.

- b. Communication protocol: this has been a problem throughout the church. Pastor Lou and Penny's hours will be posted to help communication with them. This will be an ongoing discussion to come up with a plan.
- c. Spring church cleaning: The cleaning will be held on Saturday the 19th starting at 9:00 am.
- d. Service projects for scouts: The scouts are interested in helping our church with some of our service projects. Several projects brought up was our road clean up, getting the church grounds in order and the spring moving of our mail box.
